9th November 2006	Several new houses have been built behind the new Church Hall off Church Lane. The access road has been named "Swinnerton's Heritage". The Swinnerton family were major farmers in the area. Robert Swinnerton lived at The Grove in the C19th and there is an impressive memorial for the Swinnertons in St. James Churchyard. It is heartening (to a degree) that even modern housing developments in Weddington seek to recognise the heritage of the area in their road naming schemes.
